AARON BARTLETT, 1799-1873

New York Pioneer

Son of Aaron and Joanna of the Revolution

Father of Solomon, Ransom, Shuler, Loomis, Salicia,
Eliza and Russell.

A Foreword.

It has not been my intention to write an extensive, or complete genealogical record of the descendants of Aaron Bartlett. These sketches were started with the sole idea of adding to the scanty information that my children, neices and nephews, had of the Early Bartlett family. As the outline began to take form, the interest of many in the collateral branches of the Bartlett's was aroused and led to a more extended program than at first planned.

In securing family history I have been greatly assisted by the kindness of Mrs. Hiram Lawrence Bartlett of Northampton, Massachusetts, who has sent me many Bartlett books and pamphlets belonging to her late husband. These have been of inestimable value to me.

While little attention has been paid to the latter generations, information as to them having been obtained by means of correspondence, all material as to the early Bartletts has been taken direct from Town, County, State or United States Government records, Bible records, or publications which are considered as authoritative.

I had not expected to put the Bartlett book in the hands of the public in this crude shape, with its awkward arrangement and its many repetitions, but the demand from many who are anxious to get the information so far obtained leads me to listen to them and place this accumulated data where it can be consulted by those interested while further research is being conducted.

Anyone who is in any way connected with this line, or allied lines, and who wishes to be included, when the more extensive work is compiled is earnestly requested to send in material of their family. Bible records, church and town records, County Biographical and Genealogical Albums, will and deeds and personal manuscripts are the most fertile sources of information. Photostat copies are very easily and cheaply made of them

It may be of interest to the Descendants of Aaron Bartlett to know that his Revolutionary War record has already been established with the Daughters of the American Revolution.

As so many have become confused by the many lines of Bartlettss, resulting from twenty-three known immigrant ancestors, I have included a synopsis of some of the early best known Bartletts, as I have found that most of my correspondents believe that they were, in some way, connected with these lines.

I wish also to correct the very prevalent idea of many of the Bartletts that they are descended through the line of Josiah Bartlett, signer of the Declaration of Independence. There are some reasons for their belief that the early generations may have come from the same parental stock, still these connections have not, to the best of my knowledge, as yet been made clear. Thomas, who married Mary, is said to have been a descendant of the forefather, of Josiah. This has been a persistent family legend from earliest days.

Thomas Edward Bartlett, in his book "Bartletts" gives a list of the immigrant lines and a short-sketch of information relating to them. I am also greatly indebted to Levi Bartlett's "Sketches of the Bartlett Family" although time has added information, that in one or two instances, has altered some conclusions which the information held at that time seemed to warrant.

Personal history, fact and information are accumulated very slowly and a family history is, in fact, never completed, therefore I am filing the information I have in hand to make it available for the use of those interested and expect some day to publish a more accurate and complete Bartlett Book.

Nellie Allen Bartlett.

Index.

All whose surnames are Bartlett.

Aaron	5, 6, 7, 10, 13, 14, 15, 18, 19, 20, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 37, 40, 41, 42, 43, 44, 51, 55, 56, 58, 60, 61, 70	Bartelot	1
